

BUY-HERE PAY-HERE

GAIN A MORE ACCURATE VIEW OF YOUR FINANCING BUSINESS.

Integrate your financing business with your general ledger.

Managing finance contracts through a third-party offering doesn't always provide you a clear view of your total financing business. Dealertrack DMS Buy-Here Pay-Here integrates your financing business with your general ledger in real-time, so you know the status of your contracts portfolio at all times.

Features and Benefits:

- Integrate your financing business with your general ledger in real-time.
- Easily track and create reports for payments, deposits and collections.
- Reduce data entry errors as all entries automatically flow to your general ledger.
- Instantly access critical information on your Buy-Here Pay-Here business.
