

Collateral Management Services

The fastest, easiest route to full life cycle vehicle title administration.

For more than 20 years, CMS has been servicing lenders' electronic title needs with ELT Direct, and providing comprehensive title administration through our Total Title Solution. We are among the largest title management companies in the US offering quality, cost-effective solutions for all your titling needs.

Our solutions support the title administration process for more than 7,500 clients*, including many of the nation's largest banks, independents, credit unions, captive automotive finance companies, as well as a wide range of small- and medium-sized regional lending institutions. CMS has more than 42 million titles* currently under management.

We offer a comprehensive suite of services designed to help streamline each facet of vehicle title management, helping you save time and money.
