

Dealertrack Reg & Title

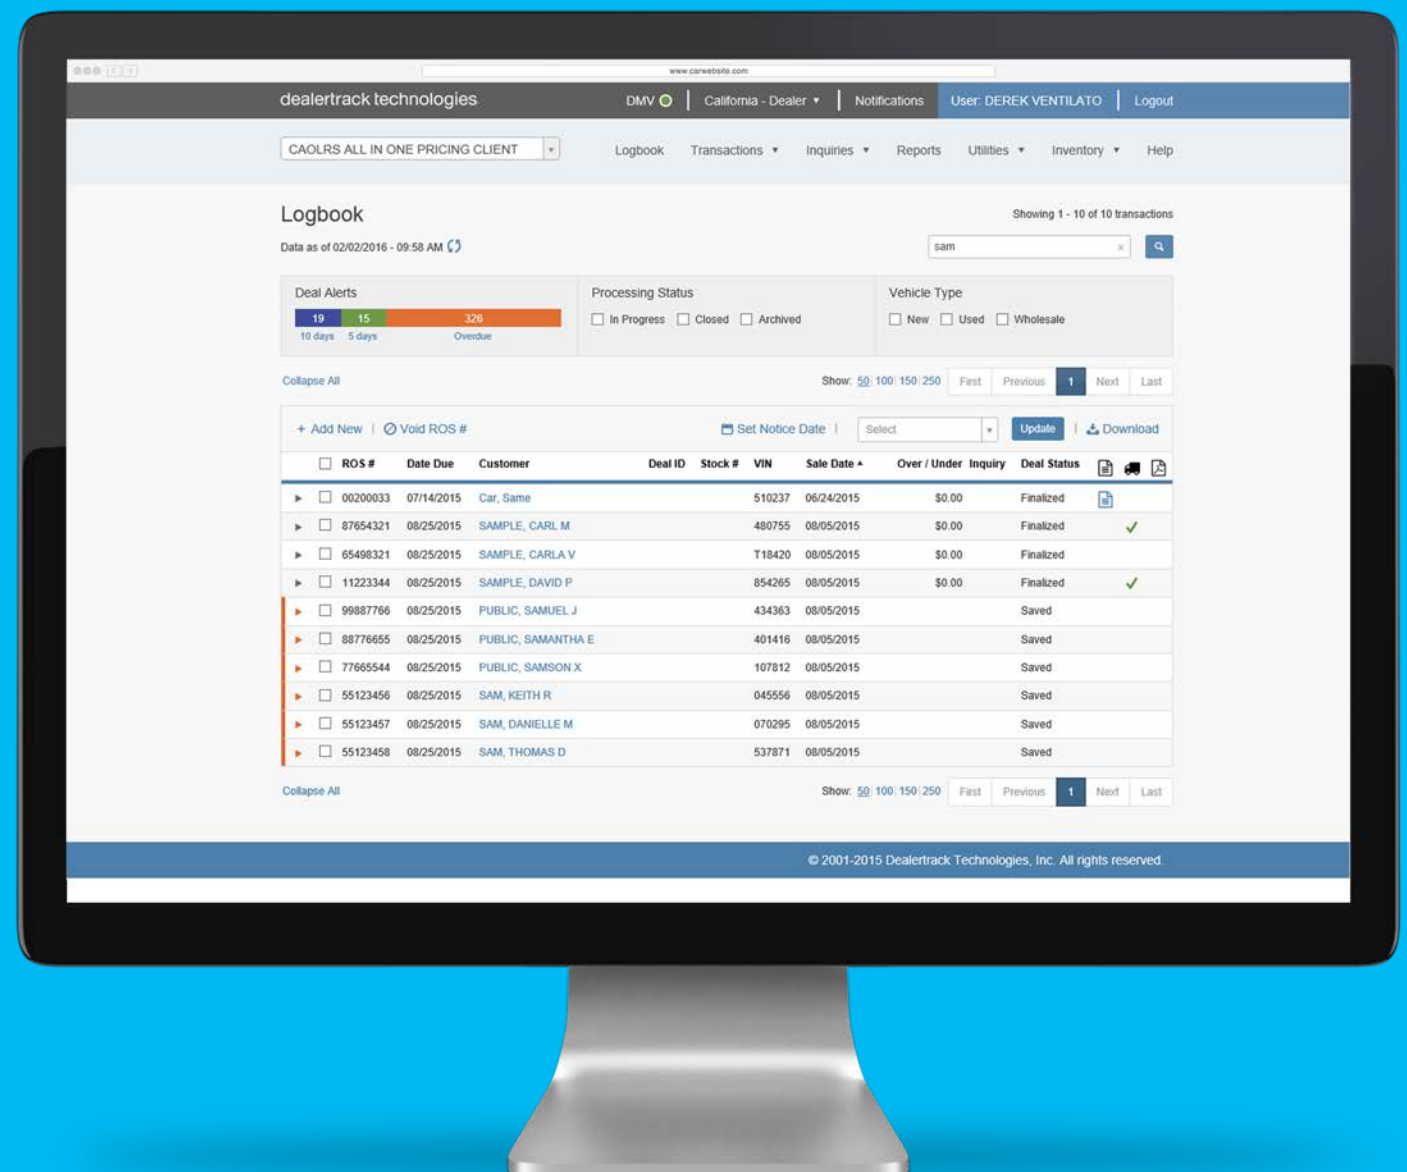

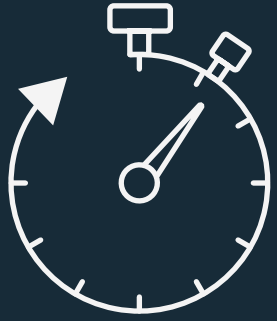

Your dealflow, organized.

A Reg & Title workflow that helps keep you focused and productive.

- Logbook puts simple, powerful transaction and workflow management tools at your fingertips, so you remain at the peak of productivity.
- Deal Alerts keep you informed of transactions at, near, or past due for processing.
- View and edit deal details, perform inquiries, manage plate/sticker/registration card inventory, run transaction and/or inventory reports, and more.

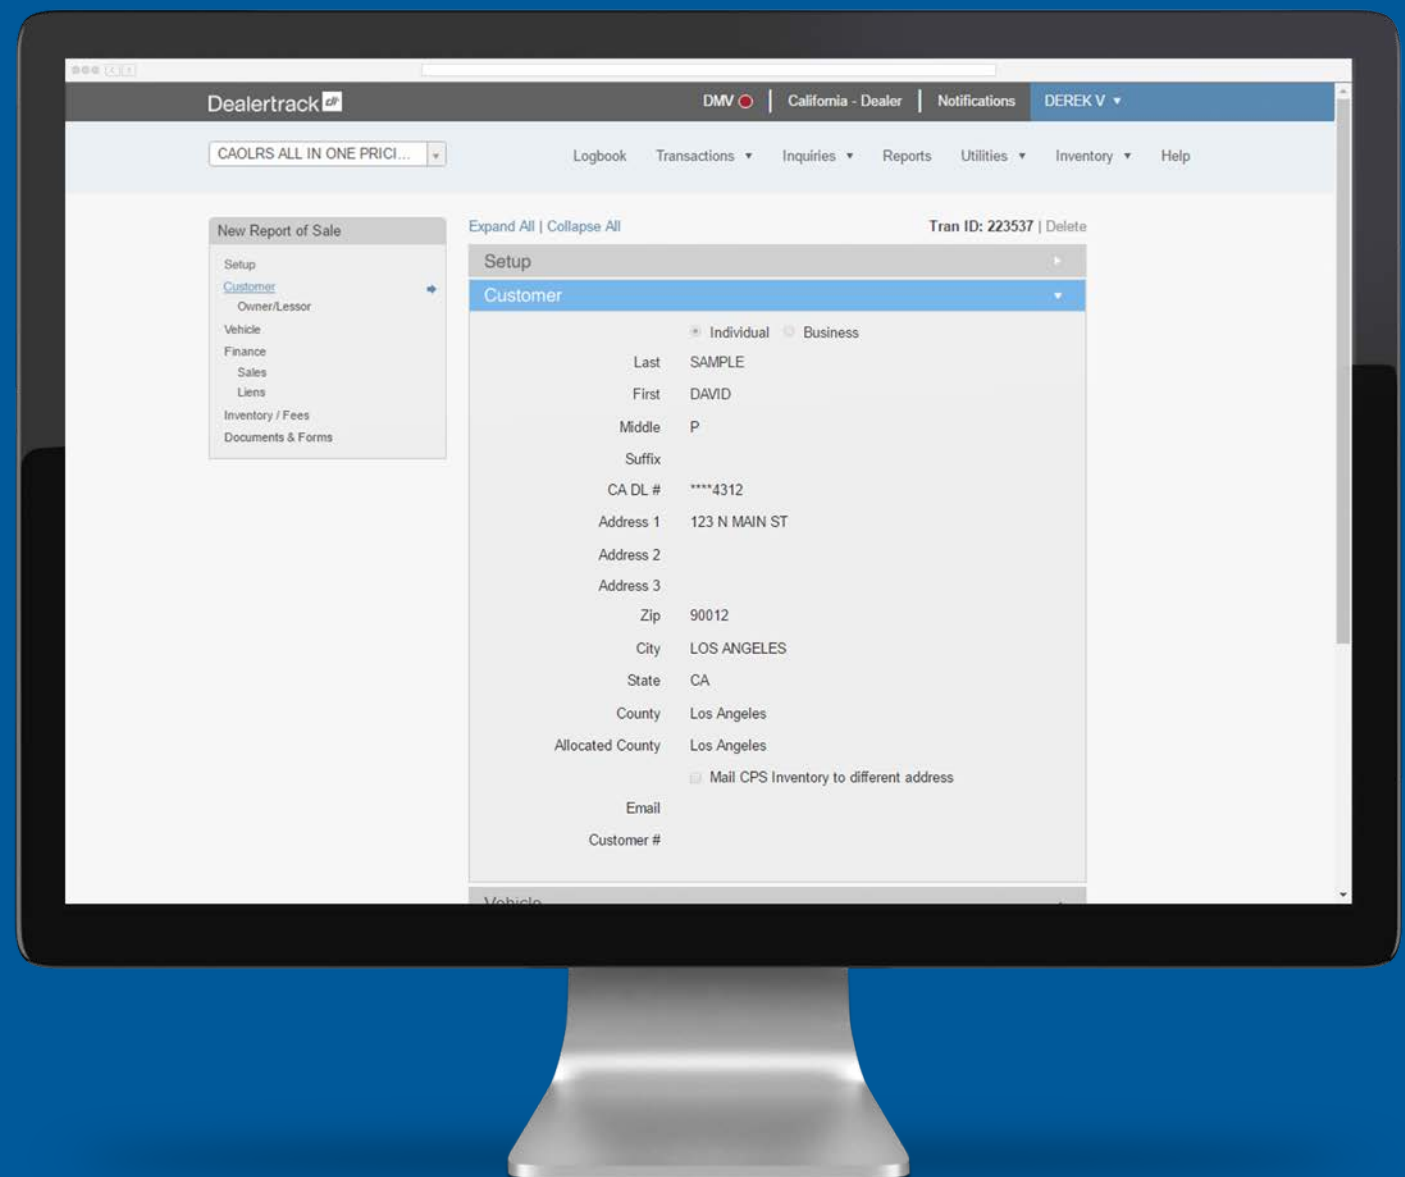

Your workflow, simplified.

A workflow designed to be beautiful and simple.

- A user-inspired Single-Page Transaction layout minimizes disruptive page-switching for a simple, organized, and efficient workflow.
- Intuitive navigation tools help streamline page navigation and keep data within easy reach.
- DMS Import reduces repetitive keystrokes and manual data entry, while Automated Data Validation virtually eliminates critical data errors before transmittal.

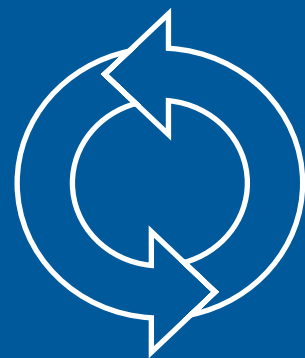

Your CSI, ensured.

The last step of the retail experience is the first thing your customer will remember after the sale.

Reg & Title, as part of the Dealertrack Dealflow Advantage, helps keep customer satisfaction in mind throughout the structure and transaction of the deal jacket.

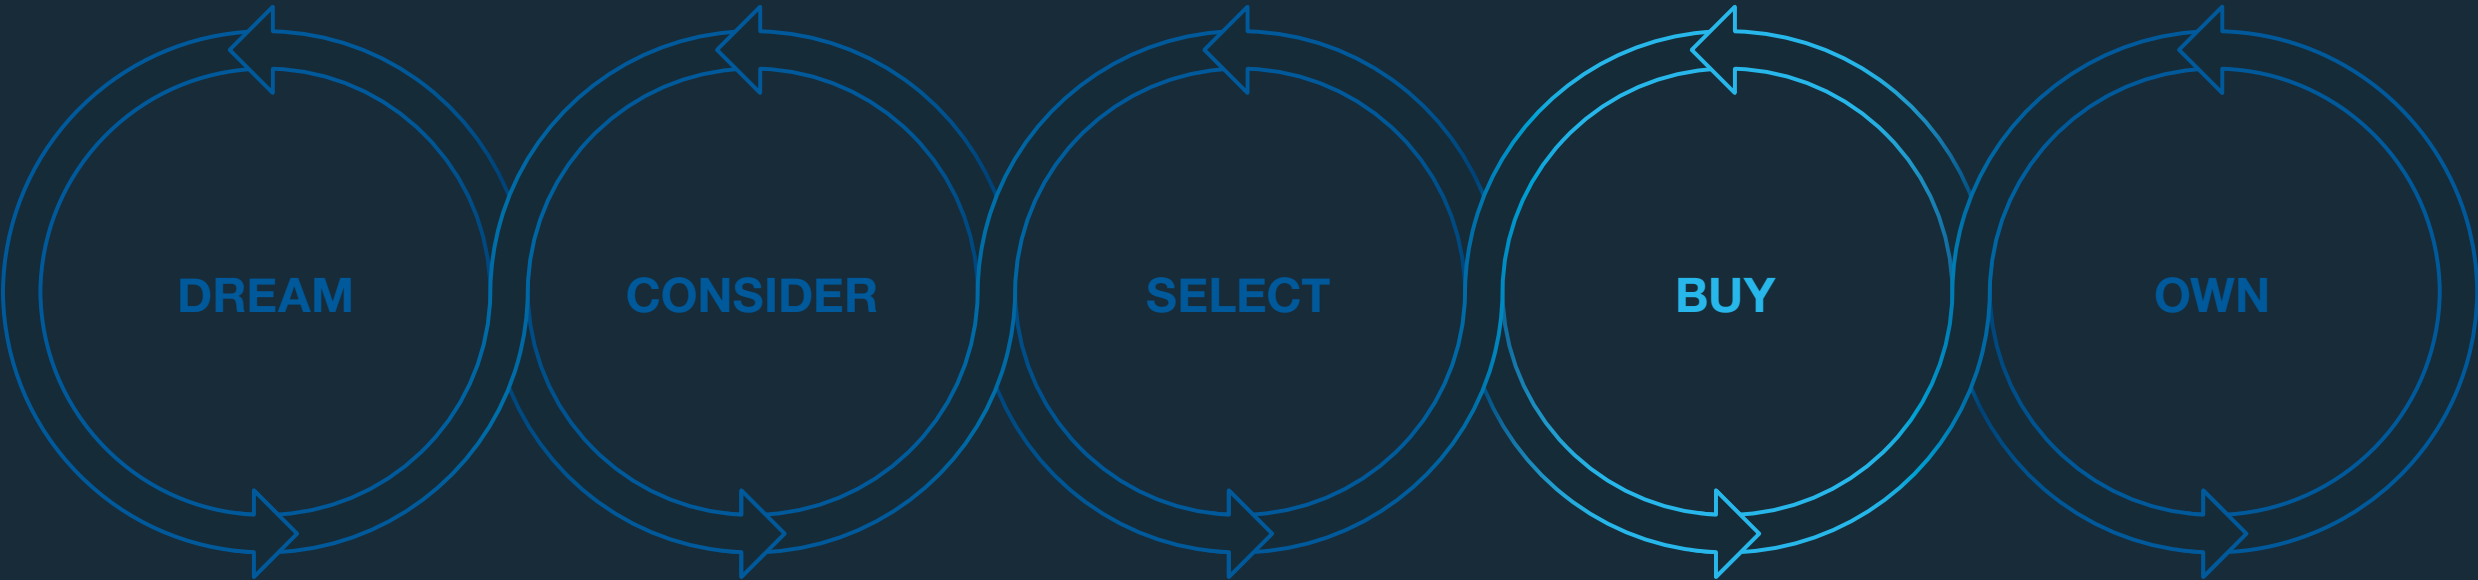

Simplify the registration and title process for your customer and leave a lasting impression that can lead to higher CSI scores and increased revenue opportunities from long-term relationships.
