

# DRIVE PERFORMANCE. INCREASE PROFIT OPPORTUNITY.

## What We've Heard Dealers Say

**"Reports aren't unique enough to really tell me how I can make better decisions with my dealership's F&I performance."**

**"If I need a report, I can get it from my DMS and/or Menu solutions."**

**"Creating reports and analyzing performance results takes too much time."**

## Do More with SEcureMetrics Insights

### Quick and Customized Dashboards

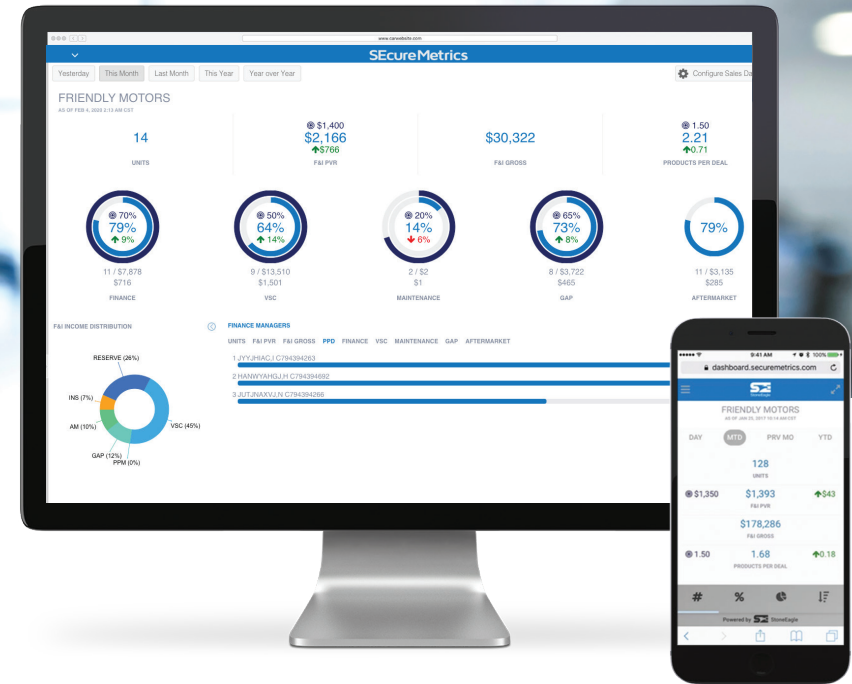

Viewable on any device – provide a quick and easy snapshot of your F&I business in real-time, anywhere, anytime.

### Dig Deeper with Your Profitability Insights

StoneEagle reporting helps you monetize missed opportunities by illuminating key targets and product penetration goals.

### Automated Reporting and Tracking

On-demand scheduled reporting allows you to identify product sale trends and top performers.

## SEcureMetrics F&I Reporting – Powered by StoneEagle

Leverage the Dealertrack F&I and StoneEagle partnership to access premier performance tools with actionable reporting insights that improve dealership efficiency, drive performance and help increase profits.
